The Mission of The Delta Kappa Gamma Society International and Psi Chapter is to promote professional and personal growth of women educators and excellence in education.

Celebrating Our Past, Advancing Our Future

Message from Mary Anne

School is back in session for another great year. Delta Kappa Gamma Psi Chapter will have a great year also. Thank you for allowing me to stay your president for another biennium.

Our first meeting is September 13 at the SCOA. We will initiate a new member and take care of the beginning of the year stuff. I hope to see you then. Sherry has interested meetings planned for this year.

I recently attended the state planning meeting. **Empower and Change** were the words of the day. The state literacy project is again **"Baskets of Books for Babes"** – these are board books (sturdy and durable) that will be distributed to the youngest children through the Early Steps program. The goal this year is 1600 books.

Teachers of Delta Kappa Gamma chapters in South Louisiana are faced with flooded homes, schools, loss of all possessions. Many of you have already contributed to that relief effort. Our state has the Florence Amy Emergency Fund that provides financial assistance due to major loss from a natural disaster such as a hurricane, flood, tornado, fire, or other catastrophic disasters and crises. At our first meeting, we will take a monetary donation from any of you that haven't had the opportunity to give to the relief effort. This will be sent to the state for distribution to those that apply for the assistance.

There is also a state bookmark contest in which I encourage you to participate. **The deadline is Sept. 9.** (see guidelines below)

Who wants a challenge? I would like to have an E-scrapbook (Powerpoint) to share at the March convention in New Orleans. The scrapbook is a picture of the chapter for a year. The scrapbook can include new member initiation pictures, chapter officer installations, events that took place, guest speakers, etc. Let me know if you are interested.

This will be a challenging year for all. But it will be fun and have many opportunities for growth.

Mary Anne
